When Taka asked Gusti about the report that Taka had asked him to finish, Gusti tried to explain that the report was actually available inside the drawer. Unfortunately, the drawer was broken, so it could not be opened. Taka did not believe what Gusti had said.

In the pantry, Mail tried to open his locker which got locked.

Hendra : “*Ismail, itu inventaris kantor. Kenapa kamu merusak?*”.

Mail : “*Siapa yang merusak, pak? Ni susah banget dibuka. Hp saya ada di dalem*”.

Hendra : “*Bukanya pake kunci jangan pake obeng*”.

Mail : “*Nah ini kan pake kunci*”.

Hendra : “*Ini obeng, bukan kunci. Memangnya kamu maling?*”.

In the administrative staff room, Gusti asked Sayuti to call Timbul, an old fixer, to repair the drawer in the administrative staff room, which got stuck.

Sayuti : “*Nggak bisa, mas*”.

Gusti : “*Ya udah, panggil pak Timbul sekarang!*”.

Gusti : “*Saya nggak ngomong apa-apa kok*”.

(Data: 2.82.26. (Interlocutor: Hendra, episode 82, utterance 26))

Hendra : “*Makanya kalo cari alasan yang tepat. Laci macet itu alasan kuno*”.

Outside the administrative staff room,

Sayuti : “*Pak Timbul kursinya mas Hendra sama lacinya mas Gusti rusak, pak tolong diperbaiki ya, pak*”.

Hendra : “*Iya, pak tolong betulkan kursi saya sekarang*”.

In the administrative staff room, Gusti asked Timbul, an old fixer, whether he had already finished repairing the drawer.

Gusti : “Pak Timbul gimana sudah beres kan?”.

Timbul : “Ngapain kalian di sini? Belom selesai!”.

In the pantry,

Mail : “Wow, dapet duit arisan ya, mpok? Jadi dong bayar utang ke saya?”.

Odah : “Tunggu diitung dulu. Gue dapetnya sejuta. Rp. 400.000 buat bayar kontrakan, Rp. 600.000 yang Rp. 300.000 buat bayar listrik sama air, Rp. 200.000 buat bayar telepon, buat bayar buku anak-anak Rp. 150.000 berarti kurang duit gue. Minta 50.000!”.

Mail : “Pinjem duit melulu. Kapan dibalikinnya?”.

Odah : “Ya taon depan kalo gue dapet uang arisan lagi”.

### **Episode Eighty Three**

In the pantry,

Mail : “Yut, loe udah ngambil galon? Pagi ini gue kagak bisa”.

Sayuti : “Sudah, mas. Itu...”

Mail : “Kok cuma empat? Loe kan tau kita biasa pake sampek tujuh galon. Sudah cepet ambil lagi”.

Sayuti : “Iya, mas tapi nanti ya. Saya mau istirahat sebentar saja”.

Odah : “Tuh kan pada ngobrol kan. Gue tau loe berdua pada nggak kerja”.

Mail : “Tuh kan, Yut. Gue bilang juga apa dimarahin kan. Loe sich susah kalo dibilangin”.

Odah : “Ambil galon! Nggak usah dibantuin siapa-siapa sekarang!”.

Outside the administrative staff room, in front of the elevator,

Sayuti : “Tunggu ya, mas”.

Dennis : “Mas... Mas... Mau ke mana, mas?”.

Sayuti : “Mau ke lantai dua, mas. Kalo mas mau ke lantai berapa?”.

Dennis : “Kalo saya nggak kemana-mana kan liftnya rusak jadi mas naek tangga ya. Liftnya mau saya betulin dulu”.

Hendra : “Kenapa liftnya tidak berhenti?”.

Dennis : “Liftnya rusak, pak mau saya betulin dulu. Bapak mau nunggu nggak?”.

In the administrative staff room,

Taka : “Hendra, jam segini baru sampai di kantor?”.

Hendra : “Maaf, pak tadi ban mobil saya kempis terus sampai di sini liftnya rusak jadi...”.

Taka : “Jangan banyak alasan! Berdiri sebelah kaki sampai saya kembali”.

Gusti was teaching the secretary (Saschya) how to use the computer mouse. Suddenly, Taka (the manager) who felt in love with Saschya passed by and saw this. Gusti tried to explain it, but Taka did not believe what Gusti had said.

Saschya : “Gusti, Saschya mau tanya nich gimana caranya pake ‘mouse’? Saschya lupa”.

Gusti : “Gini ni caranya”.

Suddenly,

Taka : “Gusti, ngapain kamu ada di meja Saschya?”.

Gusti : “Pak Taka, saya cuma mau ngajarin Saschya pake ‘mouse’”.

(Data: 1.83.4. (Interlocutor: Taka, episode 83, utterance 4))

Taka : “Apa benar kamu cuma mau ngajarin Saschya pake ‘mouse’?”.

Gusti : “Benar, pak. Kalau bapak nggak percaya, bapak boleh bertanya sama Saschya”.

(Data: 1.83.5. (Interlocutor: Taka, episode 83, utterance 5))

Gusti : “*Gimana kalo pak Hendra ngajarin Saschya?*”.

(Data: 2.83.27. (Interlocutor: Hendra, episode 83, utterance 27))

Hendra : “*Saya lagi sibuk. Sebentar saja*”.

While Hendra was teaching Saschya, Taka asked Hendra to submit his report. Actually, Hendra had not finished writing it and this made Taka got angry with Hendra. To this, Gusti smiled and mocked Hendra.

Taka : “*Hendra, mana laporan yang saya minta?*”.

Hendra : “*Maaf, pak Taka saya belum menyelesaiannya*”.

Gusti : “*Kalo kerja, yang bener dong*”.

(Data: 2.83.28. (Interlocutor: Hendra, episode 83, utterance 28))

Gusti : “*Sayuti ‘my man’ loe emang ‘top’ kalo bikin kopi*”.

(Data: 3.83.50. (Interlocutor: Sayuti, episode 83, utterance 50))

Sayuti : “*Yang mana ya, mas kopinya?*”.

Sayuti : “*Saya lupa*”.

Gusti : “*Pasti ini punya pak Taka*”.

(Data: 3.83.52. (Interlocutor: Sayuti, episode 83, utterance 52))

Taka : “*Sayuti, bikin kopi aja lama. Ini terlalu manis. Buat lagi dan taruh di atas meja saya*”.

In front of the elevator,

- Dennis : “Mbak, liftnya ada yang make ya?”.  
Susi : “Iya pak Taka baru aja masuk emang kenapa?”.  
Dennis : “Aduh, mbak kan udah dibilangin liftnya rusak”.  
Susi : “Kalo misalnya rusak, kasih tanda dong! Gimana sich, mas? Berarti pak Taka terkurung dalem lift dong. Asyik... Bebas nich...”.

Inside the elevator, Mr. Taka asked somebody to help him.

- Taka : “Halo... Halo... Di situ sapa?”.  
Sayuti : “Di sini Sayuti. Situ sapa?”.  
Taka : “Pak Taka”.  
Sayuti : “Oh pak Taka kopinya tadi sudah saya taruh di atas meja, pak”.  
Taka : “Saya tidak tanya kopi. Saya terkurung di sini”.  
Sayuti : “Kan liftnya memang rusak dari tadi, pak. Bapak harusnya tadi naik tangga saja”.  
Taka : “Sayuti...”.  
Sayuti : “Coba bapak tendang dindingnya sapa tau bisa. Tuh bisa kan, pak”.

Hendra : “Kedua, kata sambutan dari para veteran”.

Taka : “Baik, bagus”.

Taka : “Hebat kamu sampai memikirkan hal itu. Ketiga acara itu sudah memenuhi semua...”.

Hendra : “Maaf, pak belum selesai. Semuanya ada dua puluh acara”.

In the pantry,

Mail : “Iya diangkat doang”.

Sayuti : “Mbak, namanya sapa? Mungkin saya pernah baca di buku sejarah”.

Odah : “Sebenarnya tu bisa masuk buku sejarah, tapi kakek gue nggak mau. Dia orangnya nggak suka pamer. Kakek gue tu orangnya baik banget”.

Sayuti : “Kok beda ya sama mbak Odah?”.

Odah : “Maksud loe?!?”.

In the administrative staff room,

Gusti : “Kalo sekarang Negara kita diserang penjajah, gue akan angkat senjata dan nanti nama gue akan diabadikan seperti para pahlawan. Jalan Sisingamangaraja, jalan Diponegoro, jalan Gusti. Wah keren banget”.

Saschya : “Oohh jadi Diponegoro tu pahlawan juga ya?”.

Gusti : “Schya, loe pernah belajar sejarah nggak sich? Pangeran Diponegoro tu pahlawan yang gagah dan berani. Makanya belajar!”

Saschya : “Emangnya Gusti tau kapan perang Diponegoro?”.

Gusti : “Tahunnya nggak penting. Yang penting adalah makna perjuangannya”.

Hendra : “Bilang aja nggak tau. Makanya belajar! Perang Diponegoro itu 1825 sampai 1830”.

Saschya : “Hah? Cuma lima menit? Cepet banget”.

In the pantry,

- Mail : “*Yut, gue kagak percaya kalo mpok Odah tu kakeknya pejuang*”.
- Sayuti : “*Mungkin aja, mas kakeknya pejuang dari pihak lawan*”.
- Mail : “*Maksud loe kakeknya mpok Odah tu penjajah? Gue bilangin mpok Odah loe. Kalo kakak gue tu pejuang. Darahnya nurun ke gue, makanya gue kagak pernah gentar ngadepin sapapun*”.
- Sayuti : “*Tapi sukanya mas Mail gentar kalo ngadepin mpok Odah*”.

In the lobby, Gusti met the veterans.

- Gusti : “*Bapak-bapak ini yang diundang oleh OK-TV kan? Bapak-bapak langsung naik ke atas ke ‘pantry’ aja nanti saya ambil minum ok? Silahkan, pak*”.

Gusti walked into Taka's office room to tell the manager that the veterans had already come. Gusti told Taka that the veterans had already come and were in the pantry, but Taka did not believe it.

Veteran 1 (Bolot) : “Ngomong-ngomong dapurnya di mana? Saya mau minum haus”.

Mail : “Di sini masuk aja”.

Sayuti : “Bapak-bapak mau minum apa?”.

Veteran 2 (Malih) : “Minum kopi saja”.

In the administrative staff room,

Taka : “Saschyा, sudah pesen bunga?”.

Saschyा : “Sudah, pak. Bunga tabur warna merah dan putih”.

Taka : “Bunga tabur?”.

Hendra : “Pak, saya sudah mencari kemana-mana tapi para veteran itu tidak ada. Jangan-jangan Gusti bohong”.

Taka : “Cari Gusti suruh ke ruangan saya”.

Hendra : “Baik, pak. Pak, kapan bapak mau mendengar sisa acara saya? Kan bapak baru dengar tiga”.

Taka : “Hendra...”.

In the pantry,

Mail : “Silahkan dimakan, pak”.

Veteran 2 (Malih) : “Nggak salah kan. Gue bilang juga apa liat mereka baik”.

Mail : “Mari kita tunggu di lobi aja ya”.

Hendra : “*Saodah, mana veteran itu?*”.

Odah : “*Ya pak Hendra ya nggak ada lah, pak kan datangnya bukan sekarang*”.

Hendra : “*Kurang ajar Gusti*”.
