ACKNOWLEDGEMENTS

The writer could not be more grateful upon finishing this project which had taken months of preparation and polishing. There were a bunch of obstacles to go through and it was quite often for the writer to have the thought that she might not be able to make this work on time. The completion of this project, however, has proven the otherwise. The writer believes that her goal can finally be reached not because of herself alone, but because of the supports she has accepted. Therefore, here the writer would like to mention some of those people she is absolutely thankful for:

1. First and most of all the writer would like to thank God for the abundant blessings He has given. His guidance and never-ending support have led the writer throughout the whole process of making this work and made all the impossible things possible.
2. The writer would like to show gratitude for her advisor, Dr. Ribut Basuki, M.A., who spared his time to meet her and look through her report as she revised it over and over again. Thank you for all the advices and guidance through the process and helping the writer finish the project report on time.
3. Thank you to Meilinda S.S., M.A. Priska Febrinia, S.S., MDCC, Herwindy Maria Tedjaatmadja S.S., MA-ELT, and all lecturers in the English Department of Petra Christian University who have always given the writer useful feedbacks and support, as well as helping her achieve the knowledge she needed as she went through her path in English for Creative Industry Department.
4. The writer would like to immensely thank her family who has always been there and supported the writer's choices.
5. Huge thanks for Professor Chong Chan Lee, Professor Moo Young Lee, and Professor Sun Ryung Kim for feedbacks regarding the writer's work. Thank you for the patience and the time spent during

endless consultation, your support has given the writer strength to go on with the work.

6. The writer would also like to give thanks to all her supportive friends who were always there for her when she needed them, especially to Vincentius Gunawan, Christa Azalia Tedjorahardjo, Rosalia Tania Putri, Marcelina Fransisca, Patricia Amanda, Tabita Ivana Tumbelaka, Chum Sothea, Him Thideth, Maria Rosalind, Melita Leo, and Richard Lawrence. Thank you for reading the writer's work and giving feedbacks as well as support that helped the writer to improve. The writer's university life would not be as joyful as it is now if it was not for all of you. You all have made the journey worth travelled.

Aside from those people that are mentioned above, the writer's gratitude goes to other members of her family, friends, and lecturers that she cannot mention one by one. This work can never be done, not even a scratch, if you all had not been there.
