ACKNOWLEDGMENTS

Writing this thesis has been a long journey filled with many ups and downs. The completion of this work would have been impossible without the support from many. I would not be able to go through the process of researching, writing, and revising alone without my support system. Therefore, I would like to dedicate this section to those who have been with me through this journey:

1. First and foremost, I thank my Lord and Savior, Jesus Christ, for giving me the opportunity to join the English Department and complete this work. His unwavering encouragement and guidance have enabled me to go through seasons. It is only because of His presence and preservation I am able to fulfill my duties and move forward.
2. I would like to thank my parents for their utmost support and encouragement for allowing me and enabling me to complete my studies, particularly in the English Department. They have been my pillar of strength and the reason to persevere throughout the years.
3. I would like to thank Ms. Stefanny Irawan, S.S., M.A. as my advisor who has given me tremendous support and guidance from the Design in Creative Industry class to the finalization of this work. Words are not enough to express my gratitude for her vast knowledge, keen eye for detail, and generous encouragement throughout the process.
4. I would also like to thank Dr. Liliek Soelistyo, M.A. and Ms. Meilinda, S.S., M.A. for providing thorough feedback and support. Our discussions have been insightful and instrumental to the development and completion of this work. I am grateful for their patience and optimism to the very end.
5. I thank Ms. Jossy Vania who has enabled and supported this whole process from end to finish.
6. I thank my great friends, in particular Vania Jovita Fariman, Elanie Loekman, Shintia Adiningsih Wigati, Nicole Naomi, Sharon Valery, Natania Marcella, Jessica Angelina, Petra Teofani, Christine Viena, Terryna Pramesthi, and Jennifer Elisabeth. They all have provided constant laughs, steadfast encouragement, and helpful insights throughout this process.

7. I thank Jane Austen for her brilliant works which made me fall in love with creative writing and chose to study the path. In addition, I thank all of the wonderful writers whose works have inspired me. Your works have constantly reminded me of the beauty of creative writing and granted me a short escape in difficult times.
8. I thank the “Legally Blonde” movie and Elle Woods as its protagonist for the inspiration to produce a work which discusses a topic which relates to beauty privilege and beauty penalty.
9. Last but not least, I thank the awesome content creators, particularly Alwi Fahry and Fausan Aminulove who never failed to give me a good laugh and made the whole process feel a little lighter.
