ACKNOWLEDGEMENT

First of all, I would like to deliver my greatest gratitude to God Almighty for His Blessing, His love, and His Guidance in my life, especially during the writing of my thesis.

Second, I would like to thank my advisor, Dra. Julia Eka Rini M.Pd for her guidance, patience, suggestions, and also wonderful comments in helping me do my thesis. I realize that I would not have been able to finish my thesis like this without her.

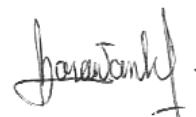

Then, I give my great appreciation to my beloved parents, Mr. Tenus Fabianto and Mrs. Poppy Siemawati who have encouraged me to finish my study. I would never forget their support to me. Then, I also thank all of my brothers who always encouraged me to finish my thesis and Djojo'pucet' Siswojo, whose mockery (that I will not be able to finish my thesis) motivated me to prove that I could finish my thesis well.

I would also like to thank Mr. Stefanus and Ms. Stefani who allowed me getting data from their Writing I classes. In addition, I also thank for all lecturers who have taught me during my study at the English Department, Petra Christian University, for their contribution in my study.

I also will not forget my girlfriend, Maria Monika, who has supported and helped me do my thesis patiently, shared the idea, checked my grammar, accompanied me when I went to Campus, and cheered me up when I was down and hopeless. In addition, I realize that without her I would not be able to pass all the difficulties that I got during my study and the writing of this thesis. Then, I thank Lani in sharing her idea in making thesis and checking my grammar.

Finally, I will never forget my special friends who cheer me up when I was hopeless to do my thesis: Wick, Ariya, Ary, Djen Sing, Edi, Teguh and Bayu. All my friends who always be my friend have brought joy and colors to my life.
