The data and the tables:

**Scene I**

ALYA

Udah, deh. Nggak usah dibahas.

(Come on, we don't have to talk about it)

MAURA

Kok nggak usah dibahas? (Why don't we?)

ALYA

Tapi bokap berantem sama nyokap, Cinta. Bukan sama gue.

(But my dad had quarrel with my mom, Cinta. Not with me)

CINTA

Tapi lo kebawa-bawa jadi sasaran, kan? Udah jelas lo sering jadi korban kayak gitu. Makanya kalo ada masalah jangan disimpulkan sendiri. Di-share. Bener nggak?

(But you also became the object, didn't you? It's clearly seen that you often become a victim like that. Therefore, if you have problem please don't keep it yourself. Share it. Is it right?).

ALYA

Makasih, Ta... (Thank you, Ta)

MAURA

Omong-omong elo ama Borne sebenarnya udah jadian belum sih?

(By the way, have you and Borne become a couple?)

CINTA

Ah, elo. Kalau jadian gue pasti cerita doong.

(Ah, you. If him and I become a couple I should let you know)

## MAURA

*Padahal kurang apa, coba. Mana tambah keren lagi, dia. Tadi pagi tahu nggak,*

*after shavenny... wow, wanginya macho banget. Jadi kenapa, Ta?*

(What is he lack of? He becomes cooler. This morning, you know, his aftershave... wow, the fragrance was so masculine. So what's wrong, Ta?)

## CINTA

*Gue belum sreg aja sama dia...(I haven't been steady yet with him...)*

## CINTA

*Gue bilang "kalau", Milly. Tapi yang bikin gue penasaran itu, kenapa dia selama ini –kalau emang bisa nulis – nggak mau ngirim satupun karyanya ke mading.*

*Gue pikir ini agak keterlaluan. Dan terus terang gue tersinggung. Berarti yang namanya Rangga ini nggak anggap mading kita eksis.*

(I said “if”, Milly. But I’m curious why he, if he can write, doesn’t want to send any of his writings to our wall magazine. I think it’s a little bit excessive. And honestly I’m offended. It means he who named Rangga doesn’t consider the existence of our wall magazine)

## KARMEN

*Jadi rencana lo apa? Kalau anaknya belagu biar gue yang hadepin.*

(so what's your plan? If he is conceited let me face him)

### CINTA

*Tadi gue ke kelasnya, IIIA. Katanya sih kalau nggak di rumahnya Pak Wardiman ya Perpus.*

(I was in his class, IIIA. His friends said if he is not in Mr. Wardiman's house, he is in the library)

(He acts like a superstar. I better once go interviewing Duta of Sheila on Seven or Once of Dewa)

### ALYA

*Kenapa, Ta? (What's the matter, Ta?)*

### CINTA

*Catet, Mil. Cowok yang namanya Rangga itu sejenis makhluk yang... yang sompong banget, belagu nggak karuan, sengak banget!! Pokoknya masuk ke kategori 'nyebelin' dan harus dijauhin.*

(Write it down, Mil. The boy named Rangga is a kind of man who... who is so egoistical, so conceited, so peevish!! However he is in the category of "spiteful" and we have to keep ourselves far from him)

## MILLY

*Di buku curhat ya? (In sharing book, right?)*

## CINTA

*Iya. Sok cuek! Gayanya udah kayak sastrawan beshaar! Pokoknya nyebelin abis.*

*Dan yang pasti nggak gaul.*

(Yes. So indifferent! His style is like a famous man of literature! However he's so peevish. And he must be unfashionable).

## KARMEN

*Mana sih anaknya? Sekarang aja gue timpe.*

(Which one is that boy? Let me tear him down now)

CINTA

Halo? (Hallo?)

ALYA

*Masih bete nggak, Ta? (Still in bad mood, Ta?)*

CINTA

*Eh. Gitu deh Al... sebel banget... baru tau ada orang aneh kayak gitu di sekolah kita. Udah mukanya nyebelin, bukunya aneh. Dari sampulnya aja udah ketahuan antik. Pasti biar keliatan intelek aja.*

## Scene VII

CINTA

Rangga. Terbukti tanpa artikel tentang elo mading tetap akan terbit! Buat gue, elo angkuh tanpa konsep! Soalnya profil sastrawan besar aja bisa dipublikasi untuk umum, sementara elo kayaknya belom kondang-kondang amat udah belagu!  
Gue curiga puisi lo plagiat, makanya takut diwawancara.

(Rangga. It is proven that without your article, wall magazine will keep published!

For me, you are arrogant without any concept because even a famous poet's profile still can be published, while you, unknown person, are so conceited! I'm suspicious that your poetry was plagiar for afraid being interviewed)

ALYA

*Lha? Kok lo jadi ngerasa gue nuduh? (Why do you feel that way?)*

## CINTA

*Aah, udah udah udah. Pokoknya enggak, titik! Baru sebentar deket dia rasanya gue mau nyolot melulu. Abis, lagaknya kayak yang paling pinter di dunia.*

(Ok, that's enough. Definitely no, that's it! I'm already with him for a while, and I feel so emotional. He acts like the cleverest man in this world.)

## ALYA

*Jadi tadi lo bener-bener pergi sama dia? (So you really went out with him?)*

## CINTA

*Sebentar banget! Sekali itu aja. Itu pun untuk nyari bahan buat mading. Bukan nge-date. (Just for a moment! Just once! Only for finding some articles for wall magazine, not dating)*

KARMEN

*O ya? Mendingan gue dong masih jago olah raga. Nah elo? Bisanya dandan melulu kayak orang ganjen. (Oh really? I'm better in sport. How about you? You only can make up yourself, so coquettish)*

MILLY

*Diem lo bedua!!! Giliran gue yang ngomong sekarang!!! Gue tau gue paling tulalit, kalian pada nganggep gue badut. Terserah!! Tapi gue tau ini nggak bener. Antara kita nggak boleh berantem.*

(Shut up, both of you! Now is my turn to speak! I know that I'm the most unconnected person, you consider me as a clown. It's up to you! But I know it's not right. No quarrel among us.)

*Lo kena pelet atau gimana, sih? Udah jelas waktu itu lo suruh Milly catet kalau Rangga itu tipe cowok yang harus dijauhin. Inget nggak waktu tahun lalu si Maura tergila-gila sama si playboy Danny itu? (Are you put curse by him or what? It's clear when you asked Milly to note that Rangga is a kind of man whom we keep ourselves far from. Do you remember last year when Maura got crazy to Danny the playboy?)*

**CINTA**

*Iya, iya. Kena pelet sih nggak. Tapi mungkin... karena dia beda banget sama cowok-cowok yang pernah gue kenal. (Yeah, yeah. Not because of any curse on me but maybe... because he's so different from other boys I've known)*

**MILLY**

*Emang sih. Kalau gue perhatin Rangga emang unik. Sekali lihat emang bikin empet, tapi lama-lama kelihatan cakep banget. (Certainly, I think Rangga is a unique boy. When we see him once maybe he looks annoyed, but progressively he looks handsome)*

MAMET

*Hei-hei-hei!!! Hati-hati, Mil!!! Ini mobil kesayangan babe gue!!*

(hei-hei-hei!!! Be careful, Mil!!! It's the most favorite car of my dad!!!)
