ACKNOWLEDGEMENTS

I would like to express my greatest gratitude for finally completing this screenplay entitled “Third” as well as its report. Even though many things came my way during the process that made me doubt if I could finish this on time, everything turned out fine in the end. This, of course, would not have been achieved without the help and support from numerous people. In this opportunity, I would like to mention the names of those who I am truly thankful for:

1. First and foremost, I would like to thank God for the blessings and guidance He has given me from the very beginning until the end of this whole process.
2. I would like to show my gratitude for Stefanny Irawan, S.S., M.A., for having been a very helpful and supportive advisor to me. Thank you for the time and patience you have spared for guiding me through the revision process and for all of the feedbacks that helped me improve this work.
3. Thank you to Dr. Ribut Basuki, M.A., Priska Febrinia, S.S., MDCC, Herwindy Maria Tedjaatmadja S.S., MA-ELT, and all lecturers in the English Department of Petra Christian University who have always given me feedbacks and support, as well as helping me achieve the knowledge I needed to complete this project.
4. Thank you to Professor Lee Seo-ho as well as Professor Lee Chong-chan, Professor Kim Jung-sun, and all professors in the Film Department of Dongseo University for their help and support in the making of this project and throughout my two years of study there.
5. To the crews who worked with me in producing the film of my screenplay, especially but not limited to Indah Sari Yosodiharyo, Patricia Amanda, Helena Lorentia, Henna Raitala, and Kim Chang-woo, I would like to thank you for all of your hard work.
6. To my family who has been there for me, prayed for me and believed in me through every decision I have made, I would like to sincerely thank you.
7. I would also like to give thanks to all of my friends in English for Creative Industry program who have been very supportive and helpful to me throughout my study, especially to Christa Azalia Tedjorahardjo, Richard Lawrence, Marcelina Fransisca, Rosalia Tania Putri, Maria Rosalind, Andhika Godwin, and Celia Asallie. My thanks also goes to Chum Sothea, Him Thideth, Park Soo-jin, Tabita Ivana Tumbelaka, Elvina

Yuliana, Jade Levina, and Veronica Amelia Sudjono as well as all of my other friends and relatives who have assisted me in so many ways that I cannot mention one by one. Thank you for giving feedbacks on my work as well as your endless support that helped me to improve and kept me motivated to achieve my dreams.

Aside from those people that are mentioned above, my gratitude goes to other members of her family, friends, and lecturers whose names I cannot mention one by one. This work would never be done if all of you had not been present in my life.
