# Acknowledgements

First of all, I would love to magnify and glorify my Lord and Saviour, Jesus Christ, for His everlasting mercy and blessings in my life, especially during the writing of this thesis. I owe You everything ... all the glory, all the honour, all the praises, it all comes back to You. Secondly, I would like to give my gratitude to my advisor, Drs. Mas Moeljono for his teaching, advice, and help as well as his patience, without which I would never accomplish this thesis. Also to my other teachers who have taught me during my study at the English Department, Faculty of Letters, Petra Christian University, I would like to express my best honour for their valuable lessons. Besides, this thesis would never be completed without a remarkable support of love and prayer from my parents, Singgi Wijaya and Susana Susanto, whom I dedicated this thesis to. Also, special thanks go to **my** dear friends, Meiliawati, Kurnia, Eva, Yulianti, Anyta, Agatha, Fenny, Henny, Frency, Andry, Arief, Ronny, and Heri, with whom I could always have great support and their priceless friendship. Finally, I thank to my other friends, though I cannot mention their names here one by one, for the prayer and support for me during the writing of my thesis.

The writer

I would like to dedicate this poem to the special people, who have given me their supports and help during the hard times in writing my thesis.

*Once in a while, we need someone who always knows how to make us feel good as few others do... ..*

*Once in a while, we find someone we can really depend on ... ..*

*For me, that people are you ... ..*

*My very best and wonderful parents, family, advisor, lecturers, pastor, and friends*

Thank you Lord, for giving me the best chance in this thesis....

Lard God Almighty, You are forever in my life

I am so grateful for the touch of Your hands in my life

You're the Light that makes me see on this path my soul You lead

My Shepherd walk with me 'cause I need you more than breath

You are Lord of Heaven, Robed in majesty, and crowned in glory

You are magnificent, eternal, wonderful, glorious

How great is Your love and Your mercy **for** me

With every breath I take, I will worship ...

O Jesus, power and glory to You alone

Thank you Lord, for giving me the best parents.....

Mama and Papa you are my everything in this world

The amazing love, joy and happiness that you've given to me

Passing me through the valley of weeping

Make a place of spring with your blessings.

Thank you Lard, for giving me the best grandma, aunts, uncles, and cousins ....

My **family**, you are the sweetest things in this world

The special help and support that you've given to me

All of you know how to cheer me up whenever I feel blue

All of you always pushing me to give my best in this thesis and to 'expand' my capacity

Thank you Lord, for giving me the best advisor, Drs. Mas Moeljono
