ACKNOWLEDGEMENTS

First and foremost, the writer would like to express her utmost gratitude to Jesus Christ, for His endless blessings throughout her four years journey of study. Without His companionship and guidance, the writer would not have been able to achieve this milestone.

Secondly, the writer would like to thank her family for always becoming her source of strength. For her father, Vincentius Christianto and her mother, Jenny Liong, thank you for being the best parents the writer could ever have. Thank you for all the emotional, financial, and spiritual support that both have contributed in helping the writer to finish this study. Not to mention, to her older brother, Axl Jevison, thank you for his annoying yet helpful advice that guided the writer.

Third, the writer would like to thank Prof. Esther Harijanti Kuntjara, M.A., Ph.D. as her advisor, Henny Putri Saking Wijaya, S.S., MA-ELT as her chairperson, and Dra. Josefa Juniarti Mardijono, M.Pd as her examiner. Their critical comments and feedback played a huge role in raising the quality of this study.

Fourth, the writer would like to thank and appreciate her fellow English Department students, specifically Shangwu Yingyu, for making her university life become a lot more meaningful. To Jennifer, Caca, Livia, Kuncup, Vinia, Mea, and Ayu, the writer is able to survive every semester and enjoy her four years of study because of their help and support.

Next, the writer could not afford forgetting the individuals who have been there for her since elementary school until now. To Capung Reborn, namely Varrel, Fabio, Jennifer, Evelyn, Patricia, and Metta, the writer is beyond thankful for the endless laughter that helped the writer to get through all the hardship and venture. To her high school best friends, Rachel, Jessica, and Mitchello. Thank you for becoming a safe space for the writer when she needed to catch a breath from her study.

Last but not least, the writer would like to thank herself for making it this far. You did well.
