ACKNOWLEDGEMENTS

First of all: I want to express my greatest gratitude to God for His love and guidance in my study since I realize that without His grace, I will not have finished my study. I also want to thank my advisor, Drs. Samuel Gunawan, MA. for the patience, guidance and encouragement during the writing of this thesis.

Moreover, I also want to thank Mr. Sekariyadi as the Audio Visual's staff at Petra Christian University for his willingness in helping me to record the data. Then, I also want to thank Mr. Riyadi, my Junior High School Javanese teacher for his guidance in my study.

Last but not least, I also want to express my deepest gratitude to **my** family: my husband, father, mother, and sister for their moral and material support to finish my study as **soon** as possible; and to all my friends, especially Swandrawati, Yenny Monica, Meliana Tanoyo, and Henny for their input, encouragement and prayers.

Thank you for everything.
