## ACKNOWLEDGMENTS

First and foremost, I would like to express my deepest gratitude to Jesus for His grace that I was able to complete this thesis from the beginning until the end. I also thank myself for staying strong through the hardships. Through every sleepless night, tear, and moment of doubt, I persevered. I am truly grateful to everyone who supported, helped, or simply stood by me throughout this journey. Their presence has meant a lot during my time as a student at Petra Christian University. To these individuals, I offer my heartfelt thanks:

1. My family. Specifically, my mom and my brother that supported me through every challenge, and always reassured me when times get hard. Both morally and financially.
2. Mr. Setefanus Suprajitno, M.A., Ph.D. as my thesis advisor for his time, patience, knowledge, and energy for guiding me throughout the whole process.
3. Dr. Dra. Jenny Mochtar, M.A as the chair of the examination committee and seminar lecturer. Thanks to her time, support, and knowledge for guiding me throughout the seminar class and helping me pick the topic that I eventually choose.
4. All of the other lecturers and staff at the English Department, and Petra Christian University for their time, valuable insights, and experiences that I will never forget.
5. My dear friends. Aurel, Angel, Grace, Vanessa, Merry, Albeth, Andrew, and Michael for the precious journey alongside them, their continuous support, patience, and encouragement for all these times.
6. And for Sylus. Thank you for your presence and reassuring words. In the midst of chaos, your presence has given me an anchor to hold.

I fully realize that this thesis is still far from perfect. I appreciate any given feedback, critics, and suggestions regarding this study from readers to help me improve.
