ACKNOWLEDGMENTS

The writer would like to say her gratitude to Jesus Christ who lives within her and gives strength, encouragement, and health to finish doing this thesis.

A special *thanks* is delivered to my guidance advisor, Mrs. Julia Eka Rini for her support, advice and encouragement. She is very patient and helpful in the time when the writer needs help.

This thesis is dedicated to my late beloved father. He has become a **great** father in my life. Further, the writer is **very** thankful to my mother for her guidance, advice and prayer, and to her siblings who have given the support and prayer so that she *can* finish her study.

Furthermore, the writer would like to say her gratitude to all brothers and sisters in the household of the Lord Jesus who have given prayer and encouragement during the time of finishing the thesis.

The writer would like to say thank **you to** the parents **of** the subjects in **this** research for their kindness to allow their children being the subjects of observation in this research.

Thanks go to all my dearest friends. Ivana, Indrawati and Agatha for your helping hand in finishing my thesis.
