ACKNOWLEDGEMENT

This thesis is made not only by the writer herself, but also the great help from the others. The writer would like to take the opportunity to thank the people who have made all this happen. First of all, the writer would like to express her grateful thanks to God the Almighty and His beloved Mother Marie. She realizes that this thesis is finally finished just because of God's Blessings. Without Him, she is nobody at all.

She also wants to share her happiness with her future mother-in-law, who always cares and helps her in anyway. Then, she also thanks her best friends who also support her to finish this thesis, Josephine, Yohana, Savitri, Nathalia, and Happy, and her boarding-house mates, Khristina and Vidia.
