ACKNOWLEDGEMENTS

In this moment of greatest joy, the writer would like to lift up her praise to the Lord who has helped her during the process of writing of this thesis. He has given her strength to resolve all the problems that came up while she worked on her thesis. She can do nothing without Him.

The writer would also like to express her gratitude to her advisor, Drs. Setefanus Suprajitno, **M.A.**, who has guided her since the beginning until the end. She realizes that without his outstanding patience, support, advice and criticism, this thesis could not have been done well. Finally, the writer also thanks all lecturers in the Faculty **of Letters for** all their support during her study in Petra Christian University.

She also thanks to her family, especially for my mom and two little brothers, Keke and Aming, for all the support, love, and encouragement they have given. She also would like to dedicate this thesis to her beloved father who stays in Heaven **now** since he has been waiting for this great time. “I hope you will be proud **of** me, daddy. I know it is the greatest moment that you want to see”.

She gives her special thanks to her best friends, “the seven girls” that is Vera, Susi, Esther, Cynthia, Jijin, Imelda, and Yenli **for** their encouragement and prayer, which gave her confidence about herself. “Thank you for **all** you have done to me girls. I cannot say how grateful I am, but I will always remember and treasure it in my heart. I hope our friendship will be last forever.” She **also** gives thanks for other friends, Nana, Thomas, and Wimpie who always support me to finish this thesis.

At last but not least, she expresses her gratitude to her beloved husband, Andi, **for** his help on her writing of this thesis and also his support, his advice, and his prayer. She also would like to thank to him for buying her some critic books of the novel and the computer when she has a trouble with her **old** computer. “It is meaningful **for** me. Thank you for being **my** sunshine”.
